Our wedding album coffee table books are custom produced using the outstanding quality of ASUKAbook, the leader in high quality photographic art albums. Each album is hand designed by Papa Razzi using your choice of photographs, and is then scheduled for production as an individual work of art. Visit www.AsukaBook.com for additional information regarding this premium product available only to professional photographers!

All of our photographs are produced on KODAK ENDURA photographic papers using KODAK ENDURA chemistry for archive quality photographs with a designed life of 100 years. For more on information on these professional products, visit the KODAK information page at <http://www.kodak.com/global/en/professional/products/papers/endura/main.jhtml?pq-path=13421>
